MODULE-BY-MODULE BREAKDOWN

01

User Hierarchy & Commission Network

Unlimited multi-level network from Super Admin down to Buyer, with role-based control and full referral mapping.

L1 Super Admin

L2 State Head

L3 Regional Manager

L4 Promoter

L5 Sub Promoter

L6 Agent

L7 Buyer

◆ Unlimited Hierarchy Levels

◆ Role Based Permissions

◆ Team Management

◆ Territory Assignment

◆ Recruitment Management

◆ Performance Tracking

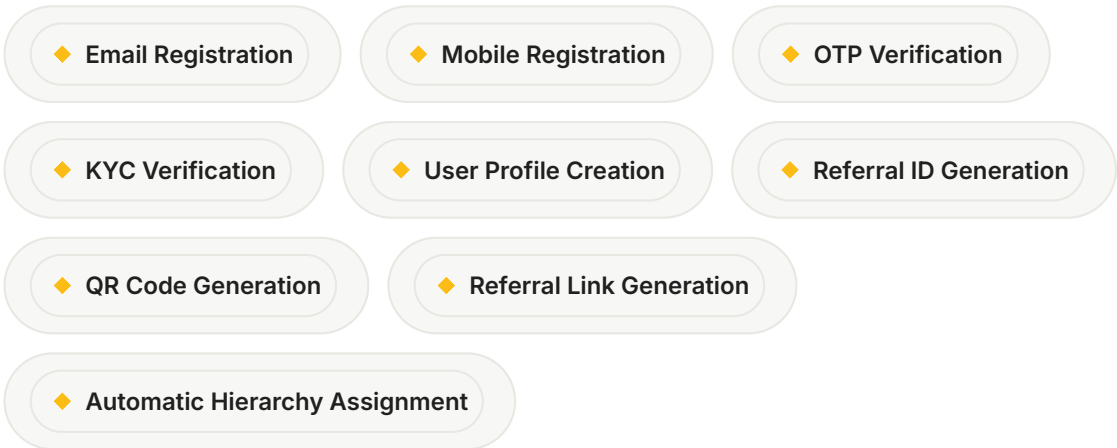

◆ Commission Tracking

◆ Referral Network Mapping

Registration & Onboarding

Frictionless sign-up with verified identity and automatic placement into the referral hierarchy.

Inventory Management

Every project, plan, property type and plot is dynamic — coded, tracked and auto-replaced on sale.

PROJECTS

4

◆ Project A

◆ Project B

◆ Project C

◆ Unlimited Projects

Gamification

Leaderboards, badges, milestones and awards that keep the network competitive and engaged.

◆ Leaderboards

◆ Achievement Badges

◆ Top Agent Awards

◆ Top Promoter Awards

◆ Sales Milestones

◆ Referral Milestones

◆ Team Growth Awards

◆ Bonus Rewards

16

Core Platform Rule

One governing principle: everything is dynamic, unlimited and fully configurable by the Super Admin.

Everything Is Dynamic

No Hardcoded Forms

No Hardcoded Commissions

No Hardcoded Projects

No Hardcoded Property Types

No Hardcoded Hierarchies

No Hardcoded Referral Rules

Unlimited Projects

Unlimited Plots

Unlimited Plans

Unlimited Users

Unlimited Commission Models

Fully Configurable By Super Admin
